SCHOOL PROGRAM:

Behavior Interventionists – Outdoor Adventure Education and Life Skills Focus! – Johnson & Hardwick, VT

This position will provide daily educational and behavioral support to individual students in an alternative school setting while encouraging youth to make positive choices, gain self-confidence and learn skills that are critical to their lifelong development. The Interventionist will provide support in social, recreational, and daily living skills in school, community and outdoor education settings. The positions will support individualized academic plans, classroom based activities, community-based service learning and school-to-work initiatives. Applicant must have a Bachelor's degree, or they may be currently pursuing one, preferably in human services. Applicant may have relevant experience in exchange for human services degree. These positions are full time and offer a comprehensive compensation and benefits package. Substitute and Part-Time opportunities are also available.

BACKPACK PROGRAM:

Behavior Interventionists – Public School Based – Lamoille, Caledonia, Orleans, and Surrounding Counties in VT

The Backpack Program is seeking skilled and motivated individuals to join our team. The interventionist will provide individualized support to a child or youth struggling to find success in public school due to social-emotional and behavioral challenges. Successful candidates will have enthusiasm and talent in implementing and engaging students in behavioral programming. Bachelor's degree, or pursuing Bachelor's Degree, preferably in human services is required. May have relevant experience in exchange for human services degree. These positions are full time and offer a comprehensive compensation and benefits package.

SUBSTITUTE CARE PROGRAM:

Community Support Staff – Full & Part Time Positions – Widespread Locations in VT

Actual shifts will vary by position, most requiring afternoon, evening and/or weekend work. Candidates must be flexible and patient, enthusiastic about working with youth and enjoy physical activity. Community Support Staff will provide a combination of supports for daily living. The role provides one-on-one supports in social, recreational, educational settings. Positions require the ability to engage in physical activities, some strenuous, including hiking, biking, fishing, canoeing, swimming, camping, etc. Prior experience working with youth that have emotional behavioral disorders is a plus.
